- ____ 1. Before specie evolution can occur, you must first have chemical evolution. At the basis of chemical evolution are right-handed and left-handed amino acids. The smallest living thing is estimated to have 400 amino acids, but they are *only* left-handed. The chance of 400 hundred *only* left-handed amino acids coming together in one living organism without *any* right-handed amino acids is one in ten followed by 123 zeros.
- ____ 2. For chemical evolution to work you need more than just 400 all left-handed amino acids. They all have to line up in the right order. The probability of that happening by chance is one in ten followed by 240 zeros.
- ____ 3. Even if one functional protein with 400 all left-handed amino acids evolved, it still cannot self-replicate without an encyclopedic "manual" called DNA. The statistical chance for just one DNA to evolve would take more than one in ten followed by 147 zeros years!
- ____ 4. Using the probability theory mathematicians have come to understand that anything beyond 50 zeros is impossible.
- ____ 5. The motive that evolutionists give for inventing and promoting this theory is that they simply don't want to be accountable to a sovereign's laws or morals.
- ____ 6. I was created (Psalm 139:13, 14) by a genius Designer who loves me and has wonderful plans for me (Jeremiah 31:3; 29:11, 12).

Scripture References

Romans 1:28-32 Furthermore, since they did not _____ it worthwhile to retain the knowledge of God, he gave them over to a depraved mind, to do what ought not to be done. They have become filled with every kind of wickedness, evil, greed and depravity. They are full of envy, murder, strife, deceit and malice. They are gossips, slanderers, God-haters, insolent, arrogant and boastful; they invent ways of doing evil; they disobey their parents; they are senseless, faithless, heartless, and ruthless. Although they know God's righteous decree that those who do such things deserve death, they not only continue to do these very things but also approve of those who practice them.

Jeremiah 31:3 ...I have loved you with an everlasting love; therefore with loving-kindness I have drawn you. NIV
