

## NEW E-NEWS

Over the past several years you have been an attentive, prayerful, and supportive part of this ministry for which we are deeply grateful. Your personal involvement is vital to this ministry and we realize that your involvement is dependent on our keeping you informed.

For this reason QLP has determined to be in touch with you in some way once a month. We also realize that you have entrusted us as stewards of your love offerings. We are doing all in our power to prudently manage your trust.

One of the ways we are doing this is by email. Today, many of you are internet savvy. Through email we can inexpensively keep you regularly informed of Ministry happenings, prayer requests, and progress reports.

These emails will have short updates with links to follow should you desire more details.

We plan to be in touch with you via email once or twice a quarter. If you did not receive the first of these emails sent out the end of January please contact us and ask us to add your email address to the list, and while you're at it, possibly add some of your friends as well.

If you don't have email, don't worry, we will still mail a hard copy of the newsletter from time to time and we are always happy to add names to that list as well.

## Ministry with a Mission

When you are working for the Lord there is never a dull moment! Each day we are privileged to partner with you in pursuing the salvation of souls. Oh sure, its an office with phones to answer, bills to pay, invoices to send out, orders to fill, appointments to be made and kept, strategic plans to make, etc. But its an office with a specific purpose and a Divine mandate: "Go ye into all the world, and preach the gospel to every creature." Mark 16:15

Every day QLP works to fulfill that command, and every day God's work advances a little farther. Yes, its an office. But its an office on a mission.

### QLP Ministry/Mission Update

**Thunder:** QuestLine began the year with 26 slots available for filming pastors for insertion into *Thunder*. This year we have filmed two pastors, one from Arkansas and one from Saskatchewan, Canada, and we are talking with others about insertion.

It is not just pastors who are scheduling insertions. recently we received a call from an individual desiring to insert laypeople. How thrilling to see God's people catching the vision!

When we initially produced *Thunder in the Holy Land* with Charles Byrd as the host, we wondered if we were being overly ambitious ordering 1,500 sets of DVDs. Today, we have a little more than 50 sets left and have begun the process of creating a second edition of DVDs with some extra features, including closed captioning for our hearing impaired friends.

**I Met God:** January began our first real start on the new series. The QLP writing team took about 10 days in the Cumberland Plateau area of TN to focus on the titles, topics, and actual scripts for the new series. This process was bathed in prayer as the direction of the series was discussed and established.

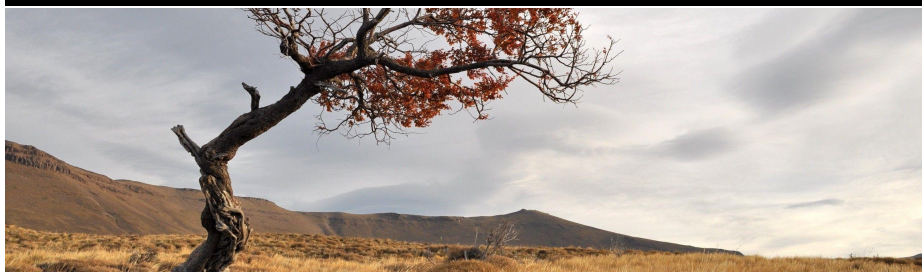

Some of the areas which needed to be covered were beyond the writing team's realm of expertise and that too become the subject of prayer. On Sabbath, God led the team to Dr Franklin Cobos II, who does have extensive expertise in the very areas needed. With a heart for ministry, he graciously agreed to help us with the script writing process.

**Israel Tour:** While its true, the Holy Land isn't so "holy" any more, there is a depth of understanding and beauty of truth to be gained from experiencing the places we read about in Scripture.

Standing on Mt. Carmel where Elijah faced-off with the prophets of Baal, or sailing on the sea of Galilee that smoothed to a glassy calm at a whisper from Christ, brings the Bible to life in an entirely new way.

Many have asked us to lead an Israel tour, and we are getting ready to do just that. We are currently working on the details. We want this to be more than just a typical tour, we want this to be a spiritually enriching experience.

This adventure is set for the spring of 2017. Please visit [www.QLP.tv/tour](http://www.QLP.tv/tour) to see the details and express your interest in this or future tours.

## Work Before the Harvest is Past

Jeremiah 8:20 is perhaps the saddest verse in the Bible; “The harvest is past, the summer is ended, and we are not saved.”

What a tragic statement! Every day we encounter people who are longing to know the precious truths we take for granted. They may not even be consciously aware of their need, but deep down they are longing for a personal Savior. Are we answering their hearts’ cries?

In verse 22 God asks, “Is there no balm in Gilead; is there no physician there?” Of course there is. He has entrusted that responsibility to us! “Why then is not the health of the daughter of my people recovered?”

Just as the Israelites of old, we have a tendency to preoccupy ourselves with ourselves, our churches, our rightness, our rules and traditions. After all, it’s not easy to step out of our comfort zones, to get involved. But have we missed the bigger picture? Have we failed to hear the cry of those seeking healing and solace that Christ alone gives them through us?

And sharing the truth and goodness of God isn’t just to help others. God says, “Ye are my witnesses, saith the Lord, and my servant whom I have chosen:...” Why are we to be His witnesses? “... that ye may know and believe me, and understand that I am he: ...” Isaiah 43:10 In sharing our faith, we strengthen our faith. As we labor for souls we enter into the sufferings and joy of Jesus.

When we stand gazing into the east as the angelic cloud approaches, may no anguished cry come to our ears, but only the words of rejoicing, “Lo, this is our God; we have waited for him, and he will save us: this is the Lord; we have waited for him, we will be glad and rejoice in his salvation.” Isaiah 25:9

## Treasure in Heaven

Because of you, QuestLine Productions is actively equipping hundreds of Pastors, churches, and laypeople with effective Bible study tools. Your faithful contributions are the reason hundreds of lives are being touched by the transforming power of the gospel and the decisions being made for Christ. We are honored to be partners with you in ministry.

As we embark on a new series, even more ambitious and far reaching than *Thunder*, your continued prayers and support are deeply coveted. We welcome your offerings, while encouraging you to keep the tithe sacred to God’s ordained purposes. Scripture teaches that tithe is to be brought to God’s “storehouse.” QuestLine Productions believes the Church functions as that storehouse, distributing funds to the worldwide field systematically.

## NEW TEAM MATE

QLP is happy to welcome Moses Primo, Jr. to the team beginning this month. Moses comes to us from Three Angels Broadcasting Network (3ABN) where he served as marketing manager for two years. He and his wife Vanessa share a heart for ministry. They have a beautiful ten-month old daughter named Abiella, a derivation of a Hebrew word meaning “God is my daddy.”

Moses praises God for the numerous experiences he has been blessed with: working on an award-winning show in college, serving in South Korea as a student missionary, growing up behind a camera at 3ABN, attending graduate school, and several opportunities to travel around the world.

“My greatest desire is to go where God leads. I am so excited to be a part of QuestLine Productions and the *Thunder in the Holy Land* project!” says Moses

Join us in welcoming Moses as the *Thunder in the Holy Land* Director.
